Stop hounding activists out of Bastar. Such hatred will only lead to more hatred. Learn to respect the Constitution.

Get well soon Mr. Kalluri. Whatever ailment you have which makes you go after activists but run away from the nhrc seems to have taken charge of your body.

This is becoming very personal. My cyber cell will register a case and we will conduct an enquiry.
Kalluri Sir, kindly ensure Ms. Beia Bhatia right to live in Bastar, Chhattisgarh. This her basic right to live in her country, wherever she chooses to.
